Does my Spouse have to travel with me?

Yes as stated on the Details of Participation #1 it states:

“A husband and wife or cohabitants must travel together to use this certificate.”

What if I don't have a Major Credit Card?

You must have a Major Credit Card as stated on your certificate “Details of Participation # 1. “Upon check-in, your hotel will require an imprint of a major credit Card to cover the cost of incidental charges and room tax”. Due to our contractual Agreements, Debit Cards are not acceptable.

What if I am not 21 can I still use this certificate?

No unfortunately, as it states on your Certificate you must be 21 years of age or older. You may however give your certificate to someone who meets this requirement.

Why do I have to send in a “Deposit”?

The deposit is sent to us as a good faith deposit, and it is fully refundable. Because we take thousands of reservations our liability is very high. The deposit is to show that you are serious about traveling.

Do I have to choose either a spa treatment or a round of golf?

Yes, the offer is good for either 1 spa treatment or 1 round of golf.
